Love and Devotion: From Persia and Beyond

Celebrate the beauty of Persian manuscripts, and the stories of human and divine love they tell, in this major international exhibition of rare Persian, Mughal Indian and Ottoman Turkish illustrated manuscripts and miniatures from the 13th to the 18th centuries.

Featuring more than 60 visually stunning works on loan from the historic Bodleian Libraries of the University of Oxford as well as works from the State Library of Victoria and other local collections, this is the largest exhibition of Persian manuscripts to be held in Australia.
