

## BĀDĠĪS

---

**BĀDĠĪS**, also BĀDĠĪS, region in eastern Khorasan, between Herat and the middle course of the Harīrūd in the south, and Marv al-Rūḍ and the headwaters of the Morġāb in the north; the southern part now falls administratively into the Herat and Bādġīsāt provinces of northwestern Afghanistan, and the northern part into the southernmost part of Turkmenistan.

*i. General and the early period.*

*ii. Modern province.*
